7:00 a.m. – 4:00 p.m. Tuesday, Wednesday, Friday  
Department of Public Works: **(920) 980-0598**

**96 Russell Drive, P.O. Box 344, Random Lake, WI 53075**

**Ordinance #11-2013 Section 11.08 (6)**  
**Solid Waste Management – Collection of Refuse**  
**Scheduled Collection Day – Monday**

- Containers should not be placed on the curb before 7:00 p.m. the day prior to collection.
- Containers need to be removed from the curbside collection point within twenty-four (24) hours after the regular collection time.

**Placement for Collection**

Residential solid waste shall be accessible to collection crews. The occupants of the residential unit shall place residential solid waste in approved containers immediately behind the curb of the public street for collection. During winter months, solid waste shall not be placed on top of the snow bank, nor shall it be placed in the roadway. The owner(s) shall either shovel out an area behind the curb in which to place their wastes or shall place it in their driveway. Solid waste or other items not completely placed within a container will not be collected. Should collection crews be unable to discharge contents into collection vehicles using normal handling procedures, the refuse will be left at curbside. The owner shall make provisions to assure that the solid waste therein can be collected on the next collection day and be removed from the curb until the next collection day. Collection crews will not empty garbage cans by means other than dumping.

No containers other than those approved by the Village Board and/or Contractor shall be placed, kept, stored or located within the right-of-way of a street or alley; provided, however, that the Village Board may authorize the location of such containers within the public right-of-way at specified places and times when such location is necessary for the expeditious collection and disposition of refuse.

**Restriction on Time and Placement**

Receptacles and containers for refuse and rubbish shall be placed in collection locations as designated above prior to 7:00 a.m. of the scheduled collection day, but not any earlier than 7:00 p.m. on the day prior to such collection.

All receptacles and containers for refuse and solid waste disposal shall be removed from the curbside collection point within twenty-four (24) hours after the regular collection time.

Village employees or employees of licensed collectors will not enter any structures to remove garbage or refuse, except by written agreement with the property owner.

If the scheduled collection day falls on or after a holiday, collection will be on the day after the regularly scheduled collection day.

- If a holiday falls on a Monday, pickup will be the next business day.

**Contact the Village office if you would like a copy of the complete ordinance.**
